

SANDEEP KAFLE

Civil & Rural Engineer | NEC Registration No. 97322

Waling, Nepal • +977 9847513054 • Email: sandeepkafle31@gmail.com

• LinkedIn: [31sandeep31](#)

PROFILE

Civil and Rural Engineering graduate (Pokhara University, 2025) with field experience in post-disaster impact assessment, landslide mitigation research, and land-use change analysis. Combines technical design skills in AutoCAD, SAP 2000, and ArcGIS Pro with four years of leadership directing Engineers Without Borders Nepal's Pokhara University chapter, coordinating cross-institutional infrastructure, WASH, and STEM outreach projects across Nepal.

EDUCATION

Bachelor of Civil and Rural Engineering School of Engineering, Pokhara University	2021 – 2025
Grade 12 (+2) Tilottama Secondary School, Butwal	2020
Secondary Education Examination (SEE) Kalika Secondary School, Butwal	2018

PROFESSIONAL EXPERIENCE

Growth Lead | Briha Tech Private Limited.

Dec 2025 – Aug 2026

- Stepped in as a versatile contributor during the company's early struggle phase; helping stabilize research, finance, and marketing operations
- Assisted with financial administration functions
- Delivered core research supporting product development of bamsawali.com and its mobile application, from initial concept through the first working prototype
- Provided consulting support on digital marketing initiatives

KEY ACADEMIC PROJECTS

Post-Earthquake Impact Assessment: A Case Study of the 2023 Jajarkot Earthquake, Nepal | Major Project

Study of Landslide Mitigation Strategy for Safe Road Construction | Mid-Hill Highway Case Study, Madi Corridor

Dynamics of Land-Use and Land Cover Change in Pokhara Metropolitan City | Kaski District, Nepal

LEADERSHIP & VOLUNTEER EXPERIENCE

President | Engineers Without Borders Nepal – Pokhara University Chapter

2024 – 2025

- Led the formation of a new student cohort and managed a smooth leadership transition
- Coordinated cross-institutional collaborations, including the Pokhara University–Harvard initiative and partnerships with EWB Florida, EWB UC Berkeley, EWB Nepal, EWB Pulchowk, EWB Kathmandu University, and the Reinstalling Hope sustainable rammed-mud housing initiative
- Organized 3D printing and robotics workshops reaching 100+ students across Balodaya, Motherland, and Hillside Secondary Schools (2024–2025)
- Directed project scoping for an Immersive Study Tour and WASH implementation at Schools, for Sikles and Taprang villages (Madi Rural Municipality), and in Bhimad Municipality and Mitchurlung village

iLAB & iJATRA 2082 | Shree Malikarjun Secondary School, Mahakali-07, Dhap, Darchula *Sept 2024 - Nov 2025*

- Served as EWB's on-site representative for iLab 2021 & iJATRA 2082, a public exhibition of student innovations from the iLAB program that drew an estimated 4,000–4,500 visitors
- Coordinated with implementation partner Karyashala Nepal in delivering hands-on innovation training; critical thinking, prototyping, and presentation skills; to students, who exhibited and sold their own creations across 10–15 stalls

Volunteer | Engineers Without Borders UC Berkeley × Nepal Project (REIC)

Phase I completed June 2026

- Contributed to a school sanitation infrastructure project; two Sulabh chambers, the female restroom slab, and piping were successfully installed at Roshi Secondary School, Kavrepalanchowk

STEAM Educator (Part-time) | Karyashala Nepal

- Design and deliver hands-on STEAM (Science, Technology, Engineering, Arts & Mathematics) sessions for secondary-level students, translating classroom concepts into prototyping and design-thinking exercises
- Extend the iLAB/iJATRA innovation-education model to additional partner schools coordinated by Karyashala Nepal, building on firsthand field experience from the Darchula program

COMPETITIONS & RECOGNITIONS

China-ASEAN Education Cooperation Week International Invitational Contest on Reading & Drafting of Construction Drawings 2023

Organized by Nantong Vocational University and the International Cultural Communication Center, Malaysia (ICCCM)

Third China-ASEAN “Skill Panda” International Skills Competition – New Energy Vehicle Technology, Overseas Competition Area 2024

Organized by Chengdu Technician College and Chengdu Industry and Trade College, Sichuan

TRAINING & PROFESSIONAL DEVELOPMENT

- SAP 2000: one-week workshop under Prof. Dr. Govinda Prasad Lamichhane
- “Realizing Industry 4.0 through STEM in Gandaki Province” - Government of Nepal, Ministry of Industry, Commerce & Supplies, with the EU Nepal Trade and Investment Programme (Dec 2023)
- Electric Vehicle Awareness Education Session - E. Stop Nepal Pvt. Ltd. & USAID Urja Nepal Program
- LEADER Project 2025 Business Pitch Competition & 10-day workshop - bpc Pokhara / NYEF Pokhara Chapter
- STEAM instructional-material development for grades 5–10; Ministry of Education, Science & Technology (2024)

INNOVATION & ENTREPRENEURSHIP

- Designed and prepared a Kon-Tiki reactor for a biochar production proposal submitted to the Pokhara University Incubation Center (Biochar Production for Sustainable Agriculture, Climate Mitigation & Carbon Credit Trading)
- HEY Campaign Global Climate Fund for climate-resilient water management systems

TECHNICAL SKILLS

Software: AutoCAD • SAP 2000 • ArcGIS Pro • SketchUp • DaVinci Resolve • 3D Printing

Web Development: Design, build, and maintain a personal site network at sandeepkafle.com.np
